

VILLAGE OF STAR PRAIRIE- SPRING 2022

HYDRANT FLUSHING NOTICE

Village of Star Prairie Utilities will conduct its annual **Fire Hydrant Flushing on May 9th and 10th**. **Additionally, Fire Flow Testing will also take place this year intermittently between May 9th-May 27th, 2022.** This notice is to inform our customers that hydrant flushing may cause discolored or “rusty” looking water. The discolored water is caused by naturally occurring iron minerals that are disturbed during the flushing process. If mineral particles are detected, that may affect laundry operations and cold water should be run to clear out household water lines. If the problem persists, residents should contact Star Prairie Utilities at (715) 531-7033.

YARD WASTE COLLECTION SITE

Village of Star Prairie’s yard waste collection site, located at 603 Hill Avenue, will be open **7am - 7pm April 1st thru December 1st**. This service is for village residents only and no foot traffic is allowed. Access road has a 15 MPH limit. To ensure this amenity remains open, please help by reporting suspicious activity to Interim Chief Gausman at 715-531-7095.

VILLAGE RECYCLING CENTER

Village of Star Prairie Recycling Center, located at 304 Jewell Street, hours are: **Monday, Tuesday, Wednesday and Friday from 7:00am to 3:30pm and Thursdays from 7:00am to 7:00pm.**
